After School Program

The After School Program WILL BE CLOSED on **Thursday, December 19th** for an All Staff Meeting.

Partners in Education (P.I.E.) would like to thank the many families and community members that continue to drop off items for the Helping Hands program. Our educational community greatly appreciates the items and the support. We have a bin in the lobby at school and one in the Lanpher Library for easy drop off. Soft tissues, absorbent paper towels, baby wipes, disinfectant wipes and varying sizes of Ziploc baggies are continued needs, but check out the full list on the P.I.E. website as some teachers are looking for gently used items as well.

Please visit our Helping Hands Page on the P.I.E. website (direct link found on the HPES home page, or type the address below) for more information about this supportive program.
