From the Principal

Here are some "Protocol Reminders" when it comes to calling your child in absent or changing their after school plans -

Our phone # is 521-5400. When calling your child in absent PLEASE HIT 9 and leave a message. There is no need to hit 0; if you do hit 0 and then leave a message in that mailbox and Mrs. Aither is not here, nobody will be listening to that message! Mailbox 9 is a general school mailbox a sub can get into; 0 is Mrs. Aither's personal mailbox. As for after school plans, we are getting an abundance of messages first thing in the morning; remember that a written note is actually what is required; leaving a message in box 9 is for unexpected changes in plans. Please leave these in box 9 and NOT box 0 for the above reasons. We also have attendance@hpes.org that can be used both for absentee and after school changes which is a great choice! Thank you for your support!
