## From the Principal

Reminder that the Grandparents Thanksgiving Lunch will be held on **Wednesday, November 20<sup>th</sup>**!

### 6<sup>th</sup> Grade Fundraiser

Our 6<sup>th</sup> graders are having a Rada cutlery fundraiser! Contact a 6<sup>th</sup> grade student or email [dreilly@hpes.org](mailto:dreilly@hpes.org) for help in contacting a 6<sup>th</sup> grader. These are quality items and you can find great holiday gifts for under \$5!

### Snow Gear Expectation

Winter is here! In order to keep our students safe and warm we expect all students to have snow gear to wear outside at recess. This includes Hat, Mittens/gloves, Ski pants, and boots. If the students in K-4 do not have proper gear they may not play in the snow; they still will be going outside.

**Grades 5/6** winter gear expectations are the same as the younger students and most students bring the correct gear each day. We will not insist that the students wear their gear if they refuse. We know they will get cold, wet, or be uncomfortable, but it will be considered a natural consequence for choosing not to wear gear. We will keep them safe, but will not engage in power struggles.

All students will be going out for recess unless it is below 0 degrees with wind chill or it is raining.

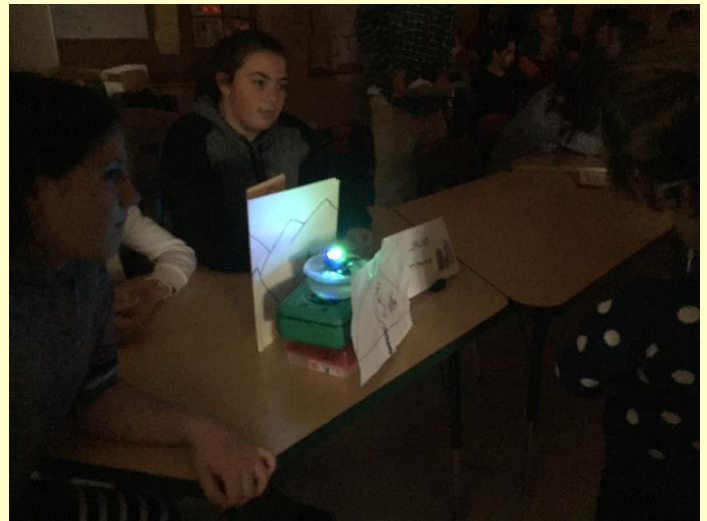

## Picture Retakes/Makeups

Picture Make-up and Retake Day has been rescheduled for Tuesday, November 26<sup>th</sup>. The location for pictures is the library from 9:00AM to 11:30AM. If your child is having retakes, they will need to return the picture package that they received earlier. Extra forms will be at the front desk if you need one. The company has assured me that pictures will be back in time for Christmas.

Any questions please contact Yvonne Heath at [yheath@hpes.org](mailto:yheath@hpes.org).

## After School Program

The After School Program WILL BE CLOSED on **Thursday, December 19<sup>th</sup>** for an All Staff Meeting.

Our 6<sup>th</sup> graders showing their STEAM Harmony of Lights displays. Students replicated the Aurora Borealis with LED lights and circuitry.
