Information on Physical Restraint and Seclusion

In this week's Friday Folder there is a letter from me regarding the "Annual Notification Pertaining to the Use of Physical Restraint and Seclusion". As stated in the letter, HPES is a PBIS (Positive Behavior Intervention Supports) school that strives to support all students through multiple ways to support a positive and safe environment. This letter explains the process when a rare, emergency situation occurs at HPES. Please feel free to contact me if you have any concerns at dreilly@hpes.org. Thank you.

The HPES 2019-2020 Handbook is on our website - www.hpes.org under Important Parent Info. If you would like a hard copy, please contact the school!

HPES 1st graders went to visit GMTCC's Robtoy farm in Jeffersonville yesterday. Kids spent time with the goats, chickens and cows. They harvested carrots and raspberries, and toured the rest of the produce gardens. It's an amazing place, and we encourage all to keep eyes and ears open for upcoming Robtoy farm news.
