Grand Opening and Family BBQ

It was great to see families and friends at our HPES BBQ and Grand Opening Ceremony. We appreciate all the support families have provided through the process of getting the building project bond passed and the construction period. We are settling in nicely. Other family and community events are planned for the fall; stay tuned for more information.

We also are anxious to get the Partners In Education (PIE) group up and running again in the near future. We will send out information regarding this as soon as we can.

Remember our new phone number is 521-5400. You may also call all extensions directly by dialing 521-54xx. Please refer to our extension list on our website for the last two digits.

Library News

Welcome Back! The Books Missed You! The HPES Library is open and book borrowing began this week. We support the student choice in our HPES School Library. Students in K-6 borrowed one book for one week. The upper grades will brainstorm to determine the right loan period and number of books to meet their reading needs. Students who wish to renew their books should plan to bring their book to school to renew during library class. For students who cannot wait for a fresh book, please ask your teacher for a pass to the library; there is no need to wait for class. Thanks ~ Mrs. Bryce

Save the date: The Scholastic Book Fair is coming to HPES September 26th-October 1st, sponsored by the 6th grade class. Stay tuned.
